A tree inventory and preservation plan (where required) containing but not limited to:

- (a) a general description of the history of use of the property;
- (b) a key map of the property showing the location of the property within the Town of Gravenhurst;
- (c) a detailed inventory map of the property showing the property boundary vegetation type boundaries, fences, road, access roads or trails, hydro lines, utility lines, watercourses, grass fields, railways, buildings, marshes, shallow rocky areas, and topography;
- (d) a map showing the extents of the areas of preservation, conditional preservation, vegetation removals and restoration where applicable; and
- (e) a plan for tree preservation measures, including monitoring, notes, specifications and details for the duration of active development on the property.

NOTE: The onus is on the applicant to obtain any license, permission, permit, authority, or approval from the Ministry of Natural Resources, the Ministry of the Environment, the Department of Fisheries or Oceans or any other agency for trees to be injured or destroyed from within the shoreline vegetative buffer or on lands zoned as environmental protection (EP) or on lands zoned as flood areas (FP),(FF) or (FW) in the town's Comprehensive Zoning By-law.

Applicable fees must be paid at the time of application and can be done by contacting the Town of Gravenhurst Finance Dept. Services at 705-687-3412 ext. 2227 or 2257
