

YOUR DONATIONS DO MAKE A DIFFERENCE

The Gravenhurst Public Library provides a range of programs, resources and services to the community for people of all ages. Donations to the Library help us to offer enhanced programming opportunities, expand areas of the collection and deliver better library services.

If you would like to make a contribution to the Library, tax receipts are available for those who donate an amount over \$15. A donor can either specify how they would like to see their donation spent or have us decide where to spend the funds.

Ways to Give

Adopt-a-Magazine

Adopting a magazine not only assists the Library with expanding our current magazine collection, it's a great way to promote your business. We have also extended this opportunity to individuals and families who wish to honour someone by sponsoring a magazine. Choose a magazine from the list of titles currently available at the Library. Then on the front of the permanent plastic cover of the

sponsored magazine we will place a four by three inch label customized with your dedication, business logo and information. Adoption is \$50.00 per magazine which extends to one full year. Please ask about our Adopt-a-Magazine brochure and form.

Donation Tree

Consider making a donation of \$250 or more and your name or the name of someone you wish to honour will be engraved on a bronze leaf and placed on the Library's donation tree, found in the front foyer of our building. Each inscribed leaf can be engraved to your wording specifications.

Corporate Sponsorship

The Gravenhurst Public Library hosts special events year round and your organization, company or business can help us add more value by sponsoring an event. Engaging guest authors, exciting children's performers, interesting early literacy activities, creative art events just to name a few have been held by the Library and sponsorships of such events are always greatly appreciated. Please contact the CEO/Chief Librarian for more details.
