JANUARY READING TRACKER

RULES:

1. Pick up a reading tracker sheet from the library.
2. Colour a box for each day you read this month!
3. Every person is unique and so is their reading journey. That means you check a box if you read for five minutes or five hours, if you read to yourself or to a pet, and if someone reads to you or you read along with a wonderbook! Audiobooks and eBooks count too!
4. Return your tracker with your name, age, phone number, and parent signature at the end of the month for your chance to win a prize.
5. Earn bonus entries by reading every day this month and by borrowing a winter themed book from our collection!
6. This contest is open to children ages 2-12.
